Thus, it appears that in the late s the government launched this FTZ program out of geostrategic interest in order to keep the region economically viable and integrated within the national economy as a means of guaranteeing territorial claims and political control. The port of Manaus, although located nautical miles inland, ranks eighth in terms of liquid bulk traffic mainly as a result of the location of the REMAN oil refinery and tenth in terms of general cargo for a combined total of around 12 million metric tons of traffic in AAPA, Before the revolution, private enterprise ownership dominated the Portuguese economy to a degree unmatched in other western

European countries.

Categories: Fair trade Economy and the environment Economic globalization

In the subsequent years, fair trade agricultural commodities played an important role in the growth of many ATOs: successful on the market, they offered a much-needed, renewable source of income for producers and provided Alternative Trading Organizations a complement to the handicrafts market. The first governor general of Brazil arrived in and headquartered himself at Bahia today known as Salvador.

Portugal's membership in the EC resulted in substantial net transfers averaged
