Design-driven innovation: changing the rules of competition by radically innovating what things mean. The Clinic.

A minister of the United Reformed Church, he has worked in pastoral ministry. He completed a M. Recent research has particularly focused on the role of religion, including individual faith, religious leadership, and institutional responses, in facilitating recovery after major disasters. Exploring a call to ordained ministry, he studied theology at Oxford, and was then Chaplain at Oriel College, Oxford from where he also taught New Testament studies.
