Bibliographic information. In this event, there may be a slight delay in shipping and possible variation in description.

The analogy was to putting your finger on an object on a tabletop, like a penny. There's a huge range, but Benjamin Beck, in Animal Tool Behavior gives this wonderful summary and contrast: . Are you a frequent reader or book collector? Some large cups have very small handles and when filled are too heavy to hold with just a thumb and forefinger.

As a male student in my early 20s, no one questioned whether I belonged in the program. It isn't only or even mostly about hardware and software; it's also about the ideas behind the technology.
