They all got a version of their happily-ever-afters in this one but, somehow, it feels like it's just beginning--that everything has to come crumbling down in the wake of some disaster. Apr 19, Monica Johnson rated it really liked it Shelves: books-i-would-recommend.

My mind drifted as I heard him pull down his jeans and then I felt this warm flesh against my skin. Under the room's overhead light, he looked pale, worn out, the mockery all gone. The Romantic Egotist. Aug 02, Teresa Merriman rated it really liked it.

I left school early that day and walked the two miles to his house. Anna Godbersen's second part of the novel is his life--his memories of the small-town Southern world in which he grew up, of his stern silent father Wylie, of the world of boot-leggers and

moonshiners, of his women, and, above all else, of his remorseless infatuation with cars.
