July 10, News Release. Keep comments relevant to the article. Few places are watching the protests as closely as Taiwan the self-governed island. Can America square its 'reefer madness' past with a legal marijuana future? Beginning as a small nucleus of computer science engineers, the community quickly grew to encompass NGOs, journalists and civil servants, picking up new supporters at each of the bi-monthly hackathon events it has held since coming into being in 2007. The 14th Dalai Lama currently resides in India, where rallies were held through the 1980s. He also carried a portrait of the Dalai Lama while occasionally chanting slogans wishing him a long life and calling for freedom for Tibet.
