That's all I remember. The main character is a virtuoso girl who is considerably younger than the others who has a serious case of unrequited love for the big man on campus.

ClaimedbytheWarrior. The lead male character is named Clayton he ends up marring this girl because they were caught doing something at night alone, I think what there were doing was completely innocent, I think the may have gotten married to save her from having to marry someone else, it took awhile for them to warm up to each. She is appalled at the lies. I've got it bookmooched now, but I haven't received it yet, so I'll let you know when I get it in.
