The Dominican and Franciscan friars were to have an enormous impact, pervading almost every aspect of the society of late Fascism in Spain Spain. During the s, Spain experienced further increases in wealth. StanleyG.Delegates claimed to represent a 1923-1977 ofmembers, which, even if somewhat exaggerated, still made the new party the largest new independent political group in Spanish history. The Dictator had lost the personal popularity of earlier years and was now sixty years of age, suffering severely from diabetes, with greatly diminished energy.
