This is amplified by the fact that textbooks and history textbooks in particular, as with heritage, are known to be used for motives other than simply pedagogical ones. While it is a stretch of the imagination to state that culture simply does not exist, as has been claimed by certain postmodern intellectuals, it remains difficult to reach a consensus about what the term really denotes.

Regarding intangible heritage, a succinct meaning is provided by Deacon, D. This is part of the healing that democracy has brought after culture was used to divide South Africans in the past. In South Africa the vision of the constitution is for everybody to be equal. In South Africa the vision of the constitution is for everybody to be equal.

Background Heritage Day is one of the newly created South African public holidays. The book includes the emphasis upon, and analysis of, crises in heritage that have occurred in recent decades, discussion of the antecedents of the World Heritage movement and the implications of the two World Heritage Conventions. With regards to gender, all three textbooks show a certain bias in their representation of women.
