To them, "breeding the best to the best" is about as well as one can do, which is fine. For example, is a five by six duplication of names truly an expression of inbreeding? The two-year-olds compete at an averaged distance that is almost a furlong shorter than the distance of the 1990 Kentucky Derby. Franco Varola. The DI distribution is bimodal with the vast majority of sprinters being expected to get sprinters or sprinter-milers types. John Kaye added it Sep 23,
