With the terrifying Tempest Winds loose, it is his duty to scour the streets of Rome on the hunt for one of the dangerous winds, who is infecting the city with the vice of pride. After 3 months I will reevaluate sales and decide where my book will be available.

There's fire in each and every one of them, and I loved when they burned with purpose. And stealing from the duke embroils Lorellan and Megan in the politics of crime lords, long forgotten races of fantasy, aliens and interstellar law enforcement. Persephone Fury seems to have some unusual powers, even for the Fury family.

Set between the Ordinary human and the Shadow Magi worlds, the only similarity I believe the next book is coming out later this year, and then we'll have to wait a further year for the final installment.
