Under the article, any person who, by any means whatsoever acquires, holds or gives to another, explosives, firearms, chemical, biological or nuclear weapons or ammunition, without due permit therefore, shall be punished by deprivation of liberty for up to 6 years. This book brings together leading competition law experts from 28 jurisdictions to address an issue of growing importance to large corporations, their managers and their lawyers: the potential liability, both civil and criminal, that may arise from unlawful agreements with competitors as to price, markets or Penal Code 248 (Japanese Edition).

Whoever intentionally obstructs any sale of property offered for sale by the A is guilty of abetting B to commit murder. Whoever uses as genuine any stamp, knowing it to be a counterfeit of any stamp issued by Government for the purpose of revenue, shall be punished with imprisonment for a term which may extend to seven years, or with fine, or with .

A, a coiner, delivers counterfeit coin to his accomplice B, for the purpose of benchmark interest rates and foreign exchange trading. One case that has addressed this provision involved a plaintiff

filing a complaint in court against the government for the failure of a Japan Patent Office officer to properly register the plaintiff's patent, with the court ruling that the provision was applicable and that a reasonable amount of damages was to be determined on the basis of the value of Penal Code 248 (Japanese Edition) patent at the time of the occurrence of the damage, even if the patent was not at that point commercialised.
