I am an action movie kind of girl, so when a book blurb creates a set-up of the quest for a lost treasure with a tomb raiding hero paired with a noble born woman hiding her identity, I immediately hoped the book will be the romance equivalent of National Treasure or Indiana Jones. And who better than lovely Prudence Thistlewaite, the bane of the captain's existence? And while the setting of this book is a little more dreary than sun-bathed Egypt, I still enjoyed every second of it.

Thisbookwasanenjoyableandratherfunread.Girl gets in trouble, needs brawny guy to rescue her, blah blah. Karen Hawkins.
