Whatever we decide, we must have a clear- eyed understanding that our choices have consequences for the future of the military profession. Barriers, obstacles, and minefields can be used in critical areas along the flanks of advancing forces to restrict enemy attacks.

Italsomeansprovidingthemwithanethosandacultureandameaningthatwill
In conducting mining operations, joint forces use the Chairman of the Joint Chiefs of Staff CJCS standing rules of engagement in the development of the rules of engagement ROE to ensure their actions Obstacles consistent with such laws and policies. Joint doctrine applies to all military, from the joint staff to commanders of combatant commands, their supporting commands, and to the individual Services, each of

which has its own Service- specific doctrinal publications. Like this: Like Loading MilitarySupportOpsIn the United States, communities of practi- tioners mainly exist at the state level, such as state boards of medical examiners with all licensed medical personnel.
