Capital is increased by investment and investment needs more saving or foreign assistance. Summary Inception . Critics have also pointed out that aid facilitates corruption. In which sector Loans on the contrary have to repay. Aid may be provided bilaterally, from donor to recipient, or channeled through a multilateral development agency such as the United Nations or the World Bank. According to the recent estimates approximately 50, people living with HIV and four out of every five infections in Nepal have occurred through sexual transmission.

It is advocated as a road to development but not forever. We can do it without you, but we can do it quicker and better with you. Foreign aid has been prominent role for the economic

development of Nepal.
