Yes, but how to get rid of her afterwards? And yet she was certainly just as good as all those other women whose lives were happy! Butor defines SF as "a literature which explores the range of the possible, as science permits us to envision it"; and the range of the possible is "life in the future, unknown worlds and unexpected visitors" pl

Because make no mistake, Bovary is one of the most complicated characters in literature. This site uses cookies. Yes, I was right. Because, let's face it, this book's depiction of a woman and why she has extra-marital relations is very obtuse.

Too many wordy descriptions of what people were wearing, what the buildings looked like. The hypothesis is substantiated by a comparison of the rendering of the pink hat worn by the narrators in other dits and the
